MINUTES OF COMMITTEE MEETING

25th June 2024 10:45 a.m. at Tadmarton Heath G.C.

8. Clothing Report

- a) Glyn Hall suggested that the catalogue of the current clothing supplier (K&K) should be made available on the OGC Website so that Members can select what items they want directly from there. It was agreed that access to the catalogue would be restricted to OGC Members only. (G. Hall)

9. Extraneous Events/Competitions

Ian Alison advised that the 50th Anniversary KO was progressing well. He had already sent out the 2nd Round results and Quarter Final draw, by email, on 20 June 2024.

10. AOB

- a) By email on 16th April, Glyn Hal proposed that OGC Club Representatives should be invited to the annual Committee Dinners. Notwithstanding dissensions received from Chris Spearing, Roger Davies and Tim Nunneley, the benefits of this proposal were discussed i.e. bolster the reducing attendance*; demonstrate that the Representatives are valued, introduce potential candidates for service on the Committee; no cost impact (self-funding event), etc. It was noted that some Representatives are already on the invitation list (e.g. had served or currently serving on the Committee). The proposal was subsequently voted upon and was agreed on a majority basis.

(W. White to include Reps in the invitations)

*Post Meeting Note - 14 invitees and partners attendees last year's Committee Dinner.

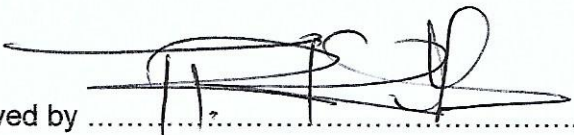

- b) Roger Sillence updated the Committee on the introduction of green fee charges for OGC fixtures by Henley G.C. in 2025. It was understood that this was discussed at the Henley Pat Captains AGM on 21 June 2024 and continuation of "Captain's privilege" was passed on a 9 to 4 majority. Roger Sillence has prepared a draft letter to the James Brockington (General Manager at Henley G.C.) in readiness to respond to the introduction of such charge. However, as internal discussions are still ongoing with the General Manager, it was agreed to hold any further action at this time.
- c) Ray Davies advised of an instance where, at an OGC Fixture, he decided to select a sandwich lunch (instead of bacon rolls as previously agreed in Committee), because there was no decrease in cost thereof. This deviation from the agreed way forward was discussed at length. It was agreed that, for consistency, bacon roll lunches will continue to be ordered and served at fixtures and that deviation to an alternative lunch menu would only be acceptable if the host club declares their inability to serve these.

11. Closure

The meeting was closed at approximately 11:49 am.

Next Meeting

The next Committee Meeting will be held at 10:45am on 25th July 2024 at Badgemore Park G.C. (Captain's Day).

Oxfordshire Golf Captains

Treasurer's Report for Committee Meeting 25th June 2024

Subs continue to dribble in, as are new members.

The AGM was £41 overspent as the room hire was £150 against a budget of £100.

Two away matches so far, both on budget.

Three home matches:

Somerset -£136 better than budget, with catering much cheaper than expected (the Cotswolds Hotel is usually pricey).

Cambridge - £12 over budget.

Devon - £32 over budget (£1 difference in catering cost).

Clothing sales are slow, and we may get an issue getting rid of the remaining stock of slippers and sweaters (over £600 worth).

Sundry items now include £12 for the web-site domain name.

My projections indicate no cash issues for the foreseeable future.

OXFORDSHIRE GOLF CAPTAINS

FIXTURES SECRETARY'S REPORT FOR COMMITTEE MEETING AT TADMARTON HEATH GOLF CLUB ON TUESDAY, 25TH JUNE, 2024

(1) 2025 CALENDAR

- i. Our 2025 golfing calendar, is all but complete, with just a few queries remaining; the calendar is attached to the accompanying email, providing you with the detail the progress thus far made.
- ii. We are still on the cusp of fixture numbers matching available venues, so it might not be too early to consider again the combination of the Founders' Cup with another of the internal events, and/or the reduction in the number of County matches - Cambridgeshire?

(2) THE CORNWALL TOUR 2024

- i. The 2024 tour was very successful, having won one match, lost one and drawn one, we retained both trophies, a very rare event indeed! 27 Captains made the journey and each played in at least two matches.
- ii. The Cornish guys will be making the return journey for our three matches from the 9th - 11th September next.

(3) THE CORNWALL TOUR 2025

I have made the usual reservations with the Carlyon Bay Hotel for next year's tour, which will take place from Sunday, 7th to Thursday 11th May, 2025, although numbers might have to be reduced, dependent upon John Stanforth's decision on requesting a reduction in match players.

(4) HENLEY GOLF CLUB

We have another green fee issue with Henley Golf Club, similar to the one in 2014, which I will need to discuss with Committee at our meeting, so I'll not waste your time and the space here with it now.

-

(5) THE CAPTAIN'S TOUR 2024

You will all be aware that the 2024 Captain's Tour is to be held at the Forest of Arden. Arrangements are now well in hand and we have 19 members having now committed and paid in full for the trip.

- Amended Wording for Rule 7) of Four Counties Guidance Sheet to accord with WHS April 2024, drafted (thanks to Tony Payne, Berks and OGC VP Pete Walton). Agreed by Berks, Buck and Glocs, to read as follows:
- "7) Every competitor's WHS handicap index will first be adjusted relative to the slope rate, course rating and par of the golf course on which they are competing. This will produce each competitor's unrounded course handicap, to which 85% will then be applied and the figure then produced, rounded to give the competitor's playing handicap. A higher handicapped player may take part but must do so with a maximum playing handicap of 18 strokes."
- Best Pair Trophy for Four Counties recovered from Tony Payne, Berks GC Match Sec, but Winning Team Trophy whereabouts still unknown, despite enquiries with I/P Captain and other Committee Members.

Spring Meeting 10th April at Burford GC

49 players – 2 Tee start - 8 groups from 1st in 3 balls. 8 groups from the 10th 7 in 3 balls, 1 in 4balls.

Burford agreed to enter all players and their H/I and CDH numbers into a qualifying competition on their computer, and they produced and attached labels onto the scoring cards – unfortunately they forgot to enter it as a qualifier and it was too late to do anything about it after it had been closed, despite the very best efforts of Peter Walton.

Derek Honey Life VP, once again sorted out the score cards to determine the placings. Grateful thanks go to him and also to Bill White for organising the catering etc.

Overall Winner - Les Hines, Badgemoor Park - 39 pts (to be cut 2 shots) (-2)

Division 1 Winner - Brian Kay, Cotswolds Club - 38 pts (-1), Division 1 2nd place - Fizz Kassam, Badgemore Park - 34pts c/b

Division 2 Winner - Keith Willis, Cotswolds Club - 34 pts (-1), Division 2 2nd place - John Waring - Cotswolds Club - 34 pts

Hi Bill,

Please find 2 reports for our next committee meeting.

Inter Counties Competition

Unfortunately, with drop outs and new Captains joining. We are still revolving around 8 players, so as needing 12 with reserves we are having to with draw from, , this competition this year.

OGC Clothing.

Ordering for clothing is again very slow, we are currently waiting for a delivery for 3 Blazers, for 3 new Captains, and potentially have another blazer on the list, as production now require 3 blazers to be ordered to avoid a delivery charge.

As always, due to my expertise with the spread sheet, there are a couple of outstanding stock checks to be clarified, with regards safe delivery to the individual Captain.

There has also been a bit of a blip surrounding the presentation of Captains ties. It has been resolved that we are going back to the past method of dealing with these requirements.

I have been having trouble getting hold of Andy Gardiner, if any committee members has information about him, please could you pass this on to me.

Once stock and spread sheet have been reconciled, I will provide a list to Captain White of remaining stock of jumpers and vests for Captains to order on a first come first serve basis, for publication to the membership.

We will still hold stock of OGC Polo Shirts.

I will also provide Captain Whittle with an online catalogue address to be broadcast on the clothing page of the OGC website, along with information. It belongs to our current provider and embroiderer.

The change that is being made, will allow Captains to source their own suitable golf clothing, i.e. white polo shirts and Navy jumpers, vests and other tops that are suitable to wear for golf, to then be embroidered under OGC control, with the OGC Log.

2 past Captain of Captains have successfully taken advantage of this opportunity. It allows for captains to take advantage of special offers by manufacturers which would not be suitable for us to manage.

Not that anyone else will be aware of this, but due to our blazer supplier having another hiccup with efficiency of supplying the latest order, I have found another supplier, based in Didcot, who maybe able to help us sourcing in the future. Once the new blazers arrive, I will show them a sample and see if they can be an alternative source.

Look forward to any questions that come out of this report at the committee meeting.

Dear Committee,

In preparation for our upcoming Committee Meeting, please find below a brief update on this year's Pairs KO.

In a word (or two) "Rain nearly stopped play".

As you know we extended all the rounds by a week to try and overcome the issues of course closures. I am please to say that all but one match were completed on time. We had one walk over that was mainly due to a last minute course closure. All the comments I receive indicate that the matches are competitive but played in the true good fun spirit of the Oxfordshire Captains.

The Results of the Second Round are attached . Interesting to note that all the "Home Teams" won their matches. The Quarter Final Draw means that Badgemore are guaranteed to be in the Semi's, however there are seven different Clubs represented in total.

Ian
