## Treasurer's Report for Committee Meeting 25<sup>th</sup> July 2024

Since my last report:

Three away matches, two of which were on budget. The match against the Ladies shows a £40 shortfall due to the Burford captain being in our team as our guest.

Two home matches:

**Dorset** -£17 worse than budget

**Berkshire** - £164 better than budget, with the catering cost being £5 per head lower than both last year's North Oxford charge and forecast.

Four events:

**Spring Meeting** - £89 adverse, due to the unbudgeted £100 room hire

**President's Cup** - A huge £319 improvement over budget. Catering was only £28 per head - last year Taddy charged £35.

**Mixed Greensomes** - £17 up

**Four Counties** - £241 better than budget.

Once again, catering was only £28.50 per head against a budget of £34. I feel I overcooked the budget here (geddit?)! Also, Ray managed to save £58 on prizes and £51 on wine.

As can be seen, overall we are £594 ahead of budget, so the year should be good, as will cashflow.

I do have some concerns however:

1. The attendance at our events is generally poor compared with history
2. Clothing sales are slow. We currently have over £600 worth of jumpers and slip-overs in stock. Whether we ever sell them all, given the known quality issues is worrying.
3. Andy Gardiner (Witney) was issued with a shirt and jumper back in April. He has not paid for these (£57) and is not replying to any of my emails.

Mr Captain and Committee,

[COMMITTEE MEETING](#)  
[BADGEMORE PARK GOLF CLUB](#)  
[THURSDAY 25TH JULY 2024](#)

Just two items for the meeting please;

- 1) Please see the below email and the attached letter that I have this morning forwarded to James Brockington, the General Manager at Henley Golf Club, which effectively brings our liaison to an end, let's hope temporarily!
- 2) I would repeat the notice that I gave at our last meeting - hopefully minuted - that I will be standing down at the end of the year. I think 18 years is quite long enough and this should allow you sufficient time to find an acceptable replacement.

Kind regards,

*Roger*

Dear James,

Please find attached the self-explanatory letter that follows our telephone conversation last week.

As you will see, I have now consulted with the Oxfordshire Golf Captains (OGC) Committee and, as I thought they might, they have agreed that your decision in this matter has effectively brought an end to our joint venture.

Craig Breeze is copied in so that he may please reassure the Henley Past Captains that their OGC membership is still secure for life.

You may recall that a similar course of action was prompted by the Chairman of the Henley Board of Directors in 2015, but was rescinded, as I was given to understand at the time, following membership reaction. Should a similar change of stance occur now, please do not hesitate to get in touch.

With thanks for all that you have done for us in the past,

*Roger*

# OXFORDSHIRE GOLF CAPTAINS

[www.oxfordshiregolfcaptains.co.uk](http://www.oxfordshiregolfcaptains.co.uk)

21<sup>st</sup> July, 2024

Mr James Brockington,  
General Manager  
Henley Golf Club,  
Harpsden  
Henley-on-Thames  
Oxfordshire, RG9 4HG

Dear James,

It is with the greatest sadness that recently we learnt that you have effectively, by intending to charge the Oxfordshire Golf Captains (OGC) green fees, decided to withdraw from the jointly beneficial agreement that was struck between your club and our association some 56 years ago.

That agreement was simply that you would provide us with the benefit of courtesy of the course for not more than one event each year, or put another way, between 60 and 90 minutes of tee-times per year; the quid pro quo for this courtesy would be that your Captains would be entitled to become lifetime members of the OGC.

The benefits that fall from our partnership are not all one-sided. Our accounts show that catering, bar and other purchases total between £1,200 and £1,750 per match; of course, we accept that whatever profit stems from those sums will depend on the financial management and efficacy of the club, but they should not be inconsiderable.

We consider it fair to point out that our members pay for their guests at home matches and your new policy would now more than double their match fee, possibly to between £100 and £120 at Henley; this is clearly unsustainable. Because of this, the OGC have decided, with great reluctance and even greater sadness, that we too will have to withdraw from the erstwhile happy arrangement with your Club.

Currently, Henley Golf Club has 26 Past Captains who are members of the OGC and their membership will not be affected by your decision. However, your future Captains from 2025 will not be eligible to join and they are the real losers in all this. Just about every County in England has an association of Past Golf Club Captains and membership has always been seen as a just and deserving reward for all of the time, work and expense every Captain lavishes on his club during his year in office; we fear you are now denying your own Captains this small token of gratitude.

In the meantime, it's sad to reflect that the happy occasion of our match against the Devon Golf Captains two months ago might well be the final time that we all will enjoy such convivial events together. Additionally, we also have to confirm that the agreed reservation for our Mixed Invitation event on Monday, 7<sup>th</sup> July next year, will now also have to be cancelled.

Yours sincerely,

Roger

Clothing Report for OGC Committee Meeting.

Hopefully K & K will be able to have a virtual OGC shop window up and running in the next 3 months. If there is no cost penalty we might as well add our Polo shirts to the vests and jumpers for them to cover. Need to get confirmation regarding caps, but waterproof jackets and golf towels will work well on this.

Ties cannot be bought in this way due to production needs against costs.

Some clothing has been ordered since our last meeting, so I have yet to liaise with Colin to put information up on the website, due to the moving target.

I have had more communication with the Inter Counties Event organisers, they will inform us of the details for 2025, in the hope we can raise a team.
